

OFFICE OF U.S. CHIEF OF CONSUL  
FOR THE PROSECUTION OF AXIS CRIMINALITY

DOCUMENT ROOM INVESTIGATION ANALYSIS

WITNESS: Kaltenbrunner

DATE: 8 Oct 45 1945 - 2110

BY : Lt. Col. Brookhart

PLACE: Nurnberg

NAME HEARDING: Kaltenbrunner

INDEX HEARDING: Police - RSHA

Kaltenbrunner states he knows Dr. Werner Best (2). At the time Best was in the Security Police he might have been well informed on police matters. Kaltenbrunner does not believe, however, that Best's book on the German police system was a standard reference book (4). This is because he and Heydrich were rivals for Hitler's favoritism. The witness is then interrogated in detail as to the various sub-sections in RSHA (6 - 13).
