

Interrogation of Alfred JODL
By Lt Col T. S. HINKEL
Time 12 November 1945 - P. M.

JODL was interrogated principally with regard to a number of documents on which he wished to comment:

Document 512-PS - He identified WARLIMONT's initials on the memorandum which is part of the document but stated that he had never before seen the document itself.

Document 508-PS - He stated that he had never seen the document before but identified the initial of WARLIMONT thereon.

Document 509-PS - He stated that he had never seen the document before and did not recognize any initial or other identifying symbol thereon.

Document C-119 - He identified the document but had no comment to make thereon.

Document C-60 - He identified his signature on this document.
