

10/20/45  
Paul

Dear General Donovan,

unfortunately your letter of July 17 was unaccountably much delayed in reaching me and on the day of arrival I was called to Washington by the Office of the Chief Counsel for Prosecution of Axis Criminality. I am sorry to send so belatedly the enclosed manuscript.

In Washington I met Mr. Poole who told me that he was not any more connected with OSS.

Sincerely yours,

Paul Scheffer.
