SUMMARY OF RELEVANT POINTS (with page references):

1. 1932 version of Nazi master plan for a new world order submitted by
Rosenberg to an Italian Fascist gathering. The main points are:

a. Europe to be dominated by the four powers--Germany, Italy, France
and England.

b. Russia to be considered as enemy of Europe. War might not be
necessary if "Nationalism" defeats "Bolshevism" in the soul of the workers.

c. The four powers are to colonize Africa and Asia minor.

d. The lesser European nations are to be restricted to their territory
under control of the four powers.
