BULLETIN

Number 44.

Nurnberg, Germany
23 October, 1945

1. OFFICERS' PAY: The clerk will be here for servicing officers' pay vouchers for October on 23 October, Room 172. It will be remembered that last month only a very few of our officers made out vouchers. It is our wish to avoid any unnecessary delay in this matter; consequently all officers are urged to make an effort to contact the clerk on the day he will be here.
2. BORROWED BOOK: Will the person who borrowed the book "Hitler's Ten Year War Against the Jews" please return it to Sgt. Stone, Room 319.
3. DOCUMENTATION DIVISION LECTURES will be presented at the Grand Hotel at 1930 hours in the following manner: Monday, 22 October - "The Case on Aggressive War", by Lt. Cmdr. Harold Leventhal; Wednesday, 24 October - "The Case Against a Criminal Organization, the Gestapo", by Lt. Whitney Harris.
5. NAME OF THE DELEGATION FOR THE U.S.S.R.: Lt. Colonel Z. H. Ozol, Army of the U.S.S.R., communicates: "The name, Russian Delegation, does not correspond with the official title. We ask that in the future our delegation be named Delegation for the U.S.S.R.". Attention of all personnel is invited to the above.
6. VEHICLE LOADING & UNLOADING: Beginning Wednesday, 24 October, all buses will stop at Gate No. 1, as they have done in the past, and will no longer proceed into the Court Yard, on account of the narrowness of the Court Yard Gate. On the other hand, all cars from the Motor Pool reporting to pick up passengers will do so in the Court Yard at a spot which will be indicated by a sign.
7. SUBSCRIPTIONS FOR STARS & STRIPES: New subscriptions for Stars and Stripes for the month of November will be accepted in Room 172 today. Kindly cooperate by getting subscriptions in early.
