OFFICE OF U. S. CHIEF OF COUNSEL
APO 403 U. S. ARMY

13 October 1945

MEMORANDUM FOR: Mr. Justice Jackson

SUBJECT : Defendants' Information Center

1. Attached hereto is a copy of the minutes of a meeting held on 8 October 1945 between representatives of the British, French, Russian and American staff members concerning the establishment of a joint information center for defendants.

2. You will recall that last week a list of recommended documents concerning which information might be given to the defendants was delivered to you. Our project officers are now engaged in supplementing the list and more carefully considering the ones hurriedly recommended in that list. It is my information that such a list is to be made available to the defendants on or before 22 October.
