MEMORANDUM FOR: Mr. Justice Jackson

Subject : Project Briefs

I. Herewith I am handing you evidence, briefs, or outlines prepared by our project officers on the following subjects:

- a. Einsatzstab Rosenberg
- b. Crimes against Humanity--Concentration Camps
- c. Crimes against Humanity--Persecution of the Jews
- d. The Economic Case
- e. Elimination of Trade Unions and Regimentation of Labor
- f. Aggressive War
- g. The NSDAP
- h. The SS
- i. The SD and the Gestapo

II. It is emphasized that these were prepared before the personnel from the London office arrived and the evidence cited is principally from the files of the Documentation Division. Also, it has not been possible to assimilate the results of interrogations.

III. These briefs are intended as a "trial run" hoping that they will have some tangible use from which a standardized form or method of procedure may be adopted.
