1. MESSENGER SERVICE: The messenger service will be continued as in the past and it is contemplated that it will be completely reorganized shortly to take care of the considerable amount of change now being undergone by this organization. Meanwhile, all sections and offices which now have messengers attached to their staffs are urged to send those messengers four times daily to Room 9 where a general clearing station is being established. It is felt that these four special trips to the clearing station, plus the six daily rounds of the regular messenger, will insure continuous delivery of messages within the Court House.

2. PICK-UP POINT: All persons calling for transportation from the Motor Pool will meet the cars in the courtyard of the Court House at a point established in the northeast corner of the courtyard and designated by a sign reading "Pick-up Point". The buses will continue to take and discharge passengers outside, on the street, by the East Gate, as in the past, due to the fact that they are too large to enter easily through the courtyard gate.

3. NEW LOCATIONS & TELEPHONE NUMBERS: Major William H. Coogan, Chief Documentation Division, now has two telephone extensions: Ext. 61313 and 61628. He is located in Room 313. Mr. H. B. Willey, Clerk to U.S. Tribunal, is now located in Room 607, Ext. 61807.

4. LOST & FOUND: Lost: A briefcase, zipper, wallet-type, brown leather. If found please return to Ens. J.I. Botts, Room 152. Found: One fountain pen. Owner please call at Room 115, Court House.

5. NEW BUS SCHEDULE: A revised, printed bus schedule is being distributed today. Extra copies are available in Room 182, as well as in Room 115.

6. STARS & STRIPES & LOST & FOUND business is now conducted in Room 115.
